

Youthquake II

RESILIENCE PATHS

1/03/2021-28/02/2023

2020-3-IT03-ESC11-020676

Why Youthquake II?

TO GIVE AN
INTERNATIONAL
DIMENSION TO THE
LOCAL COMMITMENT

TO STRENGTHEN THE
RELATIONSHIPS AS A
CONTINUITY PRACTICE

The ESC project Youthquake II, stems from the desire to follow up on the relationships consolidated during the first edition of the strategic volunteering project Youthquake (2017-2020) by building active and solidarity-based responses to the new social challenges born also as a result of the covid19 emergency.

Goals

Youthquake II and the local dimension

- to enhance the internal and marginal, rural and urban areas of central Italy through concrete actions of solidarity and volunteerism
- to encourage active citizenship itineraries for young and old inhabitants of the areas involved, in a local and international perspective

Youthquake II and Europe

- connecting the EU and young people
- inclusive societies
- information and constructive dialogue
- mental health and well-being
- support for young people in rural areas
- space and participation for all,
- sustainable green Europe

The activities will involve in total

Topics:

- support to disabled adults in recreational activities
- environmental requalification and animation of natural and city parks
- promotion of tangible and intangible heritage of the territory
- promotion and implementation of activities of regeneration and animation of the suburbs
- organization of animative and recreational activities for the elderly and children of post-seismic areas.
